Loading Card - Hybrid Roll Towel Dispenser

Items Required:

- North Shore Hybrid Roll Towel Dispenser
- North Shore Roll Towel
- North Shore Dispenser Key

Use the key to open
the dispenser

Load the batteries into the
battery holder & place in the
housing, clicking it into place

* Note - Roll Towels have a
Y-notch on one side*
Line the Y-notch with the
right-hand-side of the dispenser

Line up the Y-notch up with
the shape of the spindle.
*Note - Paper should feed
from the back*

Place the end of the roll
between the rollers

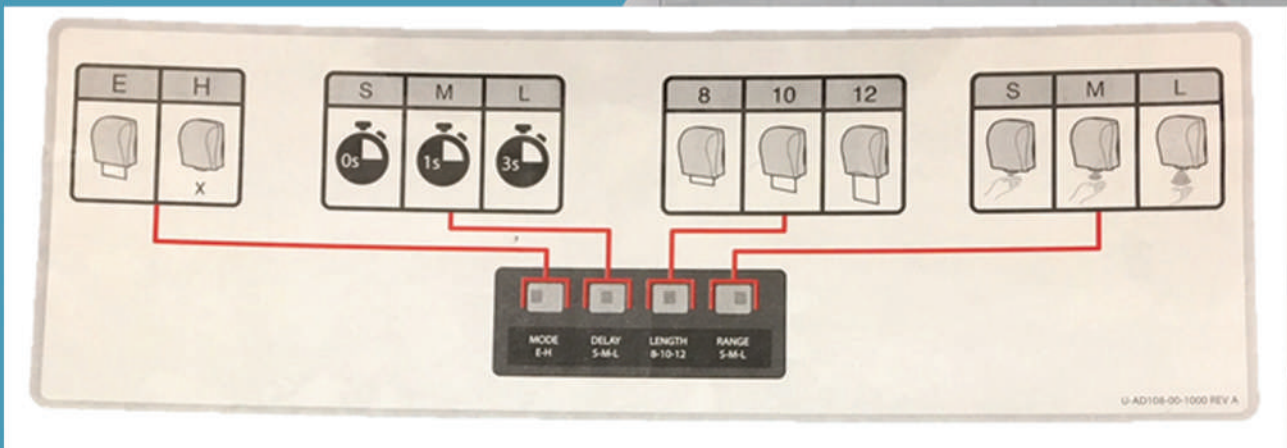

Pull on the automatic feed bar
located at the bottom right of the
dispenser, close the dispenser
& wave under it for paper
